Suggestion: speakers get a reduced registration charge of £10.

10. Chairman : RW has been Chairman for about 5 years and requests to step down
Andy South nominated as new chairman – to be approved at next meeting.
11. Web page – PM to confirm new web page manager and change over by next meeting – have not managed to identify as suitable person as yet and Andy Cassidy is prepared to do it – anyone else willing to take update of webpage on related to longstanding of SSBC?
12. Invited speaker – Caroline Brien, Queen Mary College London, suggested as next invited speaker – DG to approach – unable to attend and Prof David Kellsell invited by PM
13. Next meeting: The next meeting will be held at GCU in November 2012. Date to be confirmed as Thursday 22nd or 29th November
14. Spring meeting 2013: Due to International Dermatology meeting in May 2013 being held in Edinburgh and lack of BSID spring meeting we propose to bring the SSBC spring meeting forward to mid/end April. This will allow students presenting at the IID to practice talks beforehand. Meeting will be held in Edinburgh.
15. Financial support for meetings – everyone encouraged to put forward suggestions for companies to approach and support our events – even £100 can cover lunch and external speaker costs.
 - a. PM approached Annette Reid (rep GE Healthcare) about support and she has put request forward - too late for Nov meeting but may get some funds for Spring 2013. – Potential role for Chairman to take on.
